Fleming to participate in year-long charitable outreach trip

Tempe—June 1, 2019—Gary Fleming, Partner Emeritus, and his wife Gayle are about to embark on a year-long charitable outreach trip to Pittsburg, Pennsylvania.

The couple is part of a local group of volunteers headed to the Northeast to serve communities in the area. They will be mentoring younger volunteers as they serve in various capacities such as volunteering at hospitals, senior care centers, assisted living facilities, schools, libraries, chambers of commerce and local nonprofits.

“We have always looked forward to this next chapter. As we step away from a wonderful career, we are excited for the opportunity to use our unique talents, skills, abilities and knowledge, developed over a lifetime, to help and serve the people we come in contact with on a daily basis. It’s not about us, but rather how we can help others in whatever circumstances they might find themselves,” said Fleming.

The Flemings leave for training in July and will return to Arizona in July 2020.
